Coles Food Manufacturing Supplier Requirements (CFMSR)

Purpose:

This 3 day course will provide attendees with an understanding of the standard and how to apply it to their workplace.

Course Overview:

- Understand the purpose and scope of the CFMSR requirements
- Demonstrate awareness and understanding of the broad requirements of the CFMSR standard
- Utilise the CFMSR standard as a reference resource for best practice in food safety and quality management systems and practices
- An insight into the audit, how it's conducted, how to prepare and what to expect.

An experienced Coles Auditor or Coles representative will be available to answer your questions about the standard and to provide guidance on implementing the standard to your workplace.

Coles subsidises a proportion of the training with a nominal fee being applicable.

DATES:

- 16-18 Jul 2018
- 17-19 Sept 2018
- 15-17 Oct 2018
- 12-14 Nov 2018
